

## **play mountain place**

represents control. roofs  
are raised there but they

can't read. a confederacy  
of calls of duty and clashes  
of clans on card day. you

can say you can't play at  
play mountain place. if you  
can't say that you have no  
place at play mountain place.

you can learn how to curse

at play mountain place. you  
can learn your place at play  
mountain place. the mascot  
and philosopher is a tiger  
named hobbes. he patrols

the imagination looking for  
a lemur named leppy. play  
mountain place was very

pleasantly cold. but it only

took a little while for Zo,  
who makes the absence of

control smell like flowers,  
who turned it into flowers  
when Nitai the artist said

let's be artists together, to  
stop kissing the frozen air.

his absence matters in play.

his sound smiles out of place  
because he's dancing on the

ground. he still loves henry.
